EXPLANATION:

The purpose of this resolution is to remove all barriers to those who are baptized from participating fully in all the sacraments of the Episcopal Church. This resolution affirms the grace of Baptism by which "God adopts us as his children and makes us members of Christ's Body, the Church, and inheritors of the kingdom of God". Adoption of this resolution is intended to remove all restrictions against lesbian, gay, bisexual and transgender (LGBT) members of the Church in becoming deacons, priests, bishops or lay employees of The Episcopal Church. It is also intended that this resolution will endorse the blessing of marriage, civil unions and the blessings of LGBT committed relationships, where such relationships are not recognized by civil law.
