*Se resuelve*, con la aprobación de la Cámara de \_\_\_\_\_ que la 76<sup>a</sup> Convención General comprometa a la Iglesia Episcopal a la ausencia de discriminación en la contratación de empleados laicos sobre la base de raza, tez, sexo, origen nacional, edad, estado familiar, discapacidad, orientación sexual o identidad de género.

**EXPLANATION:**

The Church is generally exempt from federal employment discrimination laws, and those of most states and localities, but except for discrimination based on religion which may be appropriate for some positions, The Episcopal Church supports the principles of non-discrimination. It should take credit for that position public. Many but not all of the above categories are set forth in resolutions of previous General Conventions but this would put them all in one convenient location.
