 - 2 Iglesia Episcopal pida a las diócesis que animen a las congregaciones a participar en
 - 3 oportunidades de enriquecimiento educativo basadas en la comunidad con las escuelas públicas;
 - 4 y asimismo
 - 5
 - 6 *Se resuelve* que los resultados de esas actividades sean comunicados a la 77ª Convención
 - 7 General.

EXPLANATION:

At the 2008 Episcopal Urban Caucus Assembly, caucus members urged the development of a model educational project that would work with local public schools to enhance existing academic programs. Programs such as these will assist public schools that face severe programmatic cuts because of reduced funding. Working in consultation with the Diocese of New York which has developed programs in response to these needs, the Episcopal Urban Caucus partnered with a New York City high school and brought new enrichment opportunities to the students.
