Se resuelve, con la aprobación de la Cámara de _____ que la 76^a Convención General elogie el trabajo de Episcopal Service Corps en su fomento de líderes futuros de la Iglesia y el mundo mediante la oferta de oportunidades para que adultos jóvenes pasen un año sirviendo a los necesitados y discerniendo vocación en el contexto de la comunidad cristiana sencilla y sostenible.

EXPLANATION:

In May of 2008, several Episcopal Church young adult internship programs met at St. Mary's Manhattanville, New York, to form the Episcopal Service Corps, a cooperative effort to unify program recruitment and expand the network by planting new programs. Founding programs include: Episcopal Urban Intern Program, Los Angeles; Johnson Intern Program, Chapel Hill; the Micah Project, Boston; New York Intern Program, New York; Resurrection House, Omaha; and Trinity Volunteer Corps, Washington, DC. Over many years of working independently, these programs have produced influential leaders, lay and ordained, whose experience working with the poor and oppressed during their intern year has informed a lifelong commitment to expanding God's reign of peace and justice for all people. Working together, the Episcopal Service Corps will make this transformational movement grow by planting new programs and offering more young adults the opportunity to change themselves and the world.
