EXPLANATION:

This resolution encourages young people to more fully participate in the leadership of the Church and take on the responsibility that that entails. Young people given this opportunity have found that their participation has been a transformative experience and has been a meaningful opportunity to have their voices heard. This will give youth a sense of ownership in the Church and further encourages them to engage in Church leadership in the future. Taking youth leadership seriously must be a priority to maintain and grow the Church. It is vital for each congregation to nurture and support young people in their leadership activities in the Church.
