

## **MINUTES**

### **White & Dykman Subcommittee Standing Commission on Constitution and Canons Video Conference**

**May 16, 2018**

**PRESENT:** Diane Sammons (Chair), Joan Geiszler-Ludlum (Secretary), Dorsey Henderson, Steve Hutchinson, Sally Johnson, Tom Little.

**EXCUSED:** Bill Cathcart, Larry Hitt

Diane called the meeting to order at 4:04 pm. After check in, the agenda was approved. Review of the draft, Title IV 2009 to 2015 May 15, picked up from the last meeting. The Subcommittee completed review of Sally's and Diane's edits of the first 68 pages of Steve's draft. Tom will incorporate these edits as agreed and circulate to Steve. Steve will continue work on next sections of the Commentary draft as he is able.

Diane, Sally and Tom will meet to review overall editing progress to consider whether structural changes needed for legislative history moving forward. Tom will work with Steve to incorporate any structural changes into future drafts. They will also review suggested edits from Joe Delafield.

The Subcommittee reviewed Dorsey's draft of the case summary on the Righter trial. Sally will locate the various procedural motions made in that trial, scan and send to Dorsey for evaluation whether including the motion practice should be summarized for the case summary or included as a separate archive. Dorsey will also see if he can find out more about the underlying charges in the Bragg case from the originating Diocese. Otherwise the case summary is not particularly helpful in the present form.

For further follow up:

Diane will send Dorsey's notes on his follow up with David Beers regarding questions that Sally asked in her draft.

Question whether UCMJ terms intentionally found their way into the 2009 version.

**NEXT MEETING:** Tuesday, June 19 at 4:00 pm EDT.

Meeting adjourned at 5:47 pm.

Respectfully submitted,

Joan C. Geiszler-Ludlum  
Secretary
