Attendance & Impact:

Lines 1 through 5 helps us measure the scope and reach of all churches while acknowledging that not every participant or person is impacted by the church is a member. In addition, our hope is that these questions also capture long distance (virtual) engagement.

To calculate "viewership" for online or streamed services please use the combined totals across all streaming platforms (e.g., 5 Zoom viewers, 10 Facebook viewers, 25 YouTube viewers would be 40 total live viewers). Viewership should measure "unique" viewers (rather than using viewers as a proxy for household) and includes all viewers, no matter for how long they stayed.

1. Average Sunday Attendance In-Person

Sunday (& Saturday Evening) Attendance for In Person Worship.

Enter your total annual in-person attendance and divide it by the number of Sundays on which in-person services were held.

Total Online Viewership _____

3. Average Weekday Attendance In-Person

Include attendance at all regularly scheduled worship (Weekday Services, Holy Days, or special feasts observed annually).

Then divide total attendance by the number of weeks in which in-person services were held.

5. Please estimate the average number of unique non-live views your main recorded service receives within the week following broadcast

Enter your average or estimated average "viewed after" total (do not include your live, online viewers reported in line 2). If you have not regularly tracked this number, you may want to briefly look at the data from recent, non-holiday main services to estimate the average viewership.

Average 1-week (unique)

Estimated

6. Outreach beneficiaries

Estimated beneficiaries of outreach ministries per week.

Estimate the average number of individuals who benefit from your outreach ministries each week. This includes recipients of food assistance, community support programs, shelter services, educational initiatives, and any other outreach efforts provided by your congregation.

To capture the impact of the parish's outreach efforts, please include both:

- Internal ministries directly operated by the parish
- External organizations that the parish financially sponsors or regularly supports through parish-coordinated volunteer work

When reporting on partner organizations, include only those beneficiaries reasonably attributable to your parish's involvement, not the organization's total number served.

If the number of beneficiaries varies from week to week or occurs over a limited period of time, please provide a reasonable weekly average based on recent or typical activity.

7. Average volunteers that are not members

Average number of non-member volunteers for outreach ministries per week.

Estimate the average number per week of individuals who are not members of your congregation, but who volunteer through your parish's outreach ministries.

Do not include the total number of volunteers at a partner organization; include only those whose volunteer service is connected to your parish.

8. Total Impact

Total average impact of church. (Calculate lines 1 through 7)

Clergy Serving This Congregation:

This question helps us understand how many individuals undertake work on behalf of the church, recognizing in particular the contributions of lay staff (paid or unpaid). Unpaid lay staff may include, but is not limited to, nursery workers, Sunday school facilitators, parish administrators, lay preachers, etc. If you had transitions in staff over the course of the calendar year, please simply count the roles in place, not the individuals. For example, if you had a different supply priest every month, enter 1 under part-time clergy, not 12.

Giving Information for 2025:

Please indicate the reporting currency _____

Stewardship:*Questions about stewardship help illustrate how pledge activity aligns with giving trends over the year.***Example A:** On January 1, 2025, St. Paul's had received 84 pledge cards. Five additional pledge cards for 2025 were received later that month, and four new families made pledges during 2025. Enter 93 (84+5+4) on line 1, even though some who signed pledge cards may have died or moved away during the Report Year. On line 2 enter the total pledged from the 93 pledge cards shown on line 1, even though not all pledges

1. Number of confirmed pledges to the general/operating fund

(1) _____

Enter the total number of pledges made for the year, regardless of whether they were fulfilled. Count actual pledges or commitments received. If a household makes one pledge, count one. If multiple household members make individual pledges, count each one. Include any pledges received during the year even if the giver moved away or died.

US DOLLAR

OTHER CURRENCY

2. Monetary amount of confirmed pledges

(2) _____

Enter the total dollar amount of all confirmed pledges reported in line 1 above. This line reflects what members promised to give, not what was actually paid.

Revenue:*Revenue helps us understand the types and sources of financial resources received. A church may use either cash-basis or accrual-basis reporting, but should apply the same method to both revenue and expense sections.***Example B:** A parishioner of St. James Church makes two contributions to the church: a \$1,000 contribution to fulfill their pledge to the general fund and a \$200 contribution restricted to the Endowment Fund. The \$1,000 contribution is reported on line 3, and the \$200 contribution is reported on line 4.**Example C:** St. Stephen's Church leases a portion of their campus to an outside group on weekday mornings, and they receive \$2,000 a month in rental fees. The rental fees are reported on line 5.

3. Plate, pledge, and other contributions to the general support of the church

(3) _____

Enter all giving actually received during the year. Report all unrestricted contributions only. Examples include: loose plate offerings, payments toward pledges to the general/operating fund, and general gifts not designated for a specific purpose. Related expenses: Report corresponding operating expenses on Line 6.

4. Contributions restricted by contributors for specific purposes

(4) _____

Enter all giving actually received during the year that donors have designated for a specific purpose. Report only contributions whose use is restricted by the contributor. Examples include: gifts designated for outreach ministries or special programs; donations restricted for capital projects or building improvements; and contributions given for music, altar guild, youth ministry, or other specific ministries. Related expenses: Report expenses paid from these restricted funds on the corresponding line depending on the nature of the expense — Operating-related restricted expenses > Line 6; Capital-related restricted expenses > Line 7

5. All Other Revenue

(5) _____

Report all revenue not included in lines 3 or 4. Enter amounts before expenses. Examples include: grants from organizations, revenue from fundraising events (gross, not net), gross revenue from a thrift shop or similar enterprise, gross rental income from facilities or property, interest earned on checking, savings, or other cash accounts, and investment income drawn or distributed (but not gains/losses) Related expenses: Operating-related restricted expenses > Line 6; Capital-related restricted expenses > Line 7. Do not include: realized or unrealized investment gains or losses (those are reported on line 9 on the next page.)

Total Revenue (Lines 3+4+5) = A

Expenses:

Expenses help us understand the cost of ministry and operations. Use the same accounting method used for the revenue section.

Example D: St. Bart's Church has a well-known music program. The church employs a Director of Music, maintains a pipe organ, and purchases sheet music to perform. The salary of the Director of Music, the maintenance costs of the pipe organ, and the cost of sheet music are reported on line 6. If the church were to expand the pipe organ, that expense would be reported on line 7.

6. Church non-capital expenses

(6)

Report all operating expenses. Examples include: utility costs, insurance, clergy and staff salaries, wages, and benefits, office and administrative costs, diocesan assessments/apportionment, ministry and program costs, charitable disbursements, and routine maintenance and repairs. Related revenue: Typically reported on Lines 3–5. This will be the largest expense category for most congregations.

7. Capital Expenses

(7)

Report expenditures for property, buildings, or major equipment. Examples include: purchase of property, land, or buildings; major repairs that extend the useful life (e.g., roof replacement); building renovations or expansions; purchase of major equipment; and capital improvements funded by restricted gifts. Do not include routine maintenance (those go to line 6). If funded by restricted gifts > Line 4; If funded by unrestricted sources > Line 5

Total Expenses (6+7) = B

Questions about your year-end account balances help us determine the financial assets at the church's disposal.
