EC 020 Approval of the Missionary Diocese of the Episcopal Church in Navajoland Constitution

The following is a true copy of a Resolution adopted by the Executive Council.

Resolved, That in accordance with Article V, Section 1 of the Constitution of The Episcopal Church, The Episcopal Church in Navajoland has filed a certified copy of the duly adopted Constitution of the Missionary Diocese of the Episcopal Church in Navajoland (attached as the “ECN Constitution”) with the Office of the Secretary of General Convention. In accordance with the requirements of Article V, Section 1 of the Constitution of The Episcopal Church, the ECN Constitution accedes to the Constitution and Canons of The Episcopal Church, and the Executive Council approves the ECN Constitution as submitted.

EXPLANATION

The Episcopal Church in Navajoland submitted a petition to the 81st General Convention of The Episcopal Church to become a Missionary Diocese in accordance with Article V, Section 1 of the Constitution of The Episcopal Church and Title I, Canon 11.3 of the Canons of The Episcopal Church (“Petition”), and the 81st General Convention of The Episcopal Church adopted Resolution C009 granting the Petition. The final step in the process is for their constitution to be approved by the Executive Council.

FIN-GO 001 2025 Archives Relocation to a Permanent Home - Negotiation and Due Diligence

The following is a true copy of a Resolution adopted by the Executive Council.

Resolved, That the Executive Council, meeting in Linthicum Heights, MD June 23 – 25, 2025, identifies St. Gabriel’s Church, Oakwood, GA, consisting of an 8,197 square foot building and other improvements located on approximately 3.5 acres of land in two parcels as the site for the Archives of The Episcopal Church (“Designated Site”) in accordance with Resolution A016 of the 81st General Convention of The Episcopal Church; and be it further

Resolved, That the Executive Council authorizes the Presiding Bishop or his designees to negotiate with the representatives of the owner of the Designated Site, the Diocese of Atlanta, regarding the possible acquisition of the Designated Site and to perform all other necessary due diligence of the physical and legal condition of the Designated Site, including the retaining of any experts, consultants, architects or contractors for such purpose; and be it further

Resolved, That any final proposal or any proposed acquisition agreement will be submitted to the Executive Committee of Executive Council for its consideration and approval consistent with this Resolution.

EXPLANATION

The Archives of the Church are currently housed in a temporary location in Austin, TX pursuant to a commercial lease which is quite expensive. In addition, the facility is inadequate and does not provide sufficient storage space to include the entire collection. Accordingly, since at least 2018 the Church has been looking for a permanent location for the Archives. Several locations within and outside the Episcopal Church have been explored. For numerous reasons, these possibilities did not bear fruit.

As recently as January, 2024, the Executive Council authorized the Acting COO to pursue in more depth a possible move to another location, but on further evaluation, we concluded that that particular site was too expensive, did not have room to grow and would not have

been owned and controlled by the Church since occupancy would have been subject to a long term lease.

The 81st General Convention in 2024 passed Resolution A016 which emphasized again (after earlier GC Resolutions in 2006 and 2012) the vital importance of a permanent home for the Archives. A016 also directs the Executive Council to identify a permanent location for the Archives no later than July 1, 2025.

The Executive Council and its leadership have made enormous progress in finding a permanent location for the Archives and the officers and staff of the Church are to be commended for their diligent work in the last 18 months.

Five possible sites have been evaluated in the last few months and the site in the Diocese of Atlanta offers more benefits at a lower cost than other sites, with the significant advantage of a reasonable purchase price so that the church owns and controls it indefinitely.

As noted in the April, 2025 recommendation of the Archives Advisory Committee, the new Archives facility shall be constructed to incorporate nationally recognized and designated professional standards.

The Archives Advisory Committee has been active in the search for a new home for the Archives and has been consulted with respect to each possible site. As noted above, in April, 2025 the Archives Advisory Committee unanimously passed a resolution recommending this site to the Executive Council.

Courtesy Resolution in Honor of The Ven. Stannard Baker

The following is a true copy of a Resolution adopted by the Executive Council.

Resolved, That the Executive Council, meeting in Linthicum Heights, Maryland, give thanks to Almighty God for the life and ministry of our brother in Christ, the Venerable J. Stannard Baker, who entered into the land of light and joy on June 23, 2025;

and further celebrates the wise and gentle leadership he exercised in moving the Episcopal Church closer to embracing the full and equal claim of LGBTQ+ people upon the love, acceptance and pastoral concern and care of the church;

and further honors his trailblazing role as the lead plaintiff in *Baker v. Vermont*, which in 1999 led the way for Vermont to become the first state in this country to adopt civil unions for gay and lesbian couples;

and further expresses our gratitude for his service as a member of Executive Council and a five-time clergy deputy from the Diocese of Vermont, and especially as the vice chair of the House of Deputies Legislative Committee on Marriage at the 2015 General Convention, as a member of the Task Force on the Study of Marriage from 2016 to 2018, and as chair of the House of Deputies Legislative Committee on Prayer Book, Liturgy and Music at the 2024 General Convention, all of which moved our church closer to marriage equality and the full inclusion of LGBTQ+ people;

and further gives voice to our gratitude for his clear and resolute witness that the inclusion and equality of all of God's people strengthens the fabric of our church and our witness to the world;

and further pledges to follow his compassionate example in fostering healing for survivors of sexual harassment and abuse;

and further commits ourselves to honoring his legacy of dedication to the ministry of deacons, by which he made Christ and his redemptive love known to those among whom he lived, worked and worshipped;

and further sends our love, condolences and the assurance of our prayers to his husband, Peter Harrigan, and to the people of the Cathedral Church of St. Paul in Burlington, Vermont and the Diocese of Vermont, where he served.

and further prays that God might console all who mourn for Stan, strengthening us in the sure and certain hope of the Resurrection to eternal life, through Jesus Christ our Lord.

and further commend to Almighty God our brother Stan, and rise as we are able in thanksgiving for his life among us and for his entrance into the glorious company of the saints in light.
