SUMMARY OF ACTIONS
OF THE
76TH GENERAL CONVENTION

ANAHEIM, CALIFORNIA
JULY 8–17, 2009
August 2009

Dear Member of the 76th General Convention:

The 76th General Convention considered 419 pieces of legislation: 192 came from our Committees, Commissions, Agencies and Boards (A Resolutions); 32 Resolutions from Bishops (B Resolutions); 87 from Dioceses and Provinces (C Resolutions); and 108 Resolutions from Deputies (D Resolutions). (This compares to the 75th General Convention, at which there were 169 A Resolutions; 36 B Resolutions; 52 C Resolutions; and 98 D Resolutions.)

Enclosed is the summary of these actions prepared by the General Convention Office (also available, along with the adopted budget, on the web at http://www.episcopalchurch.org/gc2009). The summary will give you a sense of what we accomplished. Each Resolution has received one of these designations:

- **Concurred:** The Resolution was adopted by both Houses and has become an Act of Convention.
- **Concurred, No Funding:** The Resolution was concurred, but the requested funding was not included in the adopted budget for the triennium.
- **Adopted through the Budget:** The Resolution was partially or fully funded in the adopted budget (D067) for the triennium.
- **Adopted by the House of Bishops or the House of Deputies:** The Resolution did not require joint action.
- **Consent to the Election of a Bishop:** The Resolution received consent from a majority of bishops exercising jurisdiction and was adopted by the House of Deputies.
- **Referred to a CCAB:** The Resolution has been referred to a Committee, Commission, Agency or Board (CCAB) of General Convention to study and review before the next General Convention.
- **Discharged:** One of the Houses voted to discontinue any further consideration of the Resolution by a legislative committee.
- **Rejected:** One of the Houses voted on the Resolution and it did not prevail.
- **Not Completed:** The Resolution was acted upon by at least one House, but it did not complete the entire legislative process before Convention adjourned. The Resolution did not become an Act of Convention and is considered rejected, although convention gave me authority to refer these Resolutions to the Executive Council or to a CCAB.
- **No Action:** A legislative committee did not report the Resolution to the floor of either House.

We are preparing the **Journal of the 76th General Convention** as well as the updated **Constitution and Canons**. These will be the final and official documents of the General Convention. Currently, the final language, as well as the final status of each Resolution, is being reviewed by the General Convention Office and the Archives of The Episcopal Church. You will find the full text of Resolutions on the General Convention web site at http://gc2009.org/ViewLegislation/.

General Convention is an enormous undertaking. I am grateful to the staff of the General Convention Office, to the volunteers who served in the Secretariats and to the army of additional volunteer coordinators, supervisors and workers for providing our church the opportunity to come together and plan for God’s mission. An additional word of gratitude is due to the Archives of The Episcopal Church for its efforts to assist us in assuring the accuracy of the final documents that will record the work of the 76th General Convention.

Faithfully yours,

(The Rev. Dr.) Gregory Straub
Executive Officer and Secretary of the General Convention
