

You are the Episcopal Church. Share your gifts. If not you... WHO THEN?

The Joint Standing Committee on Nominations for General Convention is seeking applications from persons willing to be nominated for seven elections that will take place at General Convention 2015, to be held in Salt Lake City, Utah, Thursday, June 25 to Friday, July 3, 2015. Qualifications for each position are listed in each section below. Applicant need not be a Deputy to apply. We ask all persons to consider prayerfully where their talents may best serve our church. In the unusual circumstance in which an individual feels called to serve through more than one ministry, we ask three things:

1. Indicate the area of your greatest strength
2. Submit separate applications for each ministry
3. Supply different references, relevant to each ministry

Click on each ministry to download a document with further details. Applications must be received on or before March 1, 2014.
