

Present: Tyler, Perry, David Rice, Stephanie, Mark Richardson, Stephanie Spellers, Weston Matthews, Brian Sellers-Petersen, Delia Heck, Hershey Malette Stephens, Lewis Powell, Mark Lattime, Melanie Mullen, Dinorah (Interpreter), Josh Griffin, Perry Hodgkins-Jones, Sarah Nolan, Richard Acosta, Nathan Empsall, Andrew Thompson, Dimas Munoz

- Opening prayer, David Rice
- Approved last meeting's minutes
- Brief personal check in
- Grant program check in
 - Split into two groups, focusing on 1. Networking, and 2. Grants
 - Grants (Sarah)
 - Information provided on extranet for guideposts for incorporation of rubrics into the grant process. Making the process both qualitative and quantitative.
 - Encouraging grantees to think about how their work includes environmental racism issue and the emotional and spiritual side behind the projects they are proposing.
 - Some requests for information on grants already received.
- Networking (Brian)
 - Gathering names for organizations to target for the grants
- Eco-Justice Ministries (Delia)
 - Making the report more of an interactive experience to target younger people and get more people to read it
 - Narrative stories
 - Impacts of environmental disasters on people
 - Short video clips (storytelling)
 - Hear voices from previous eco justice sites
 - Data, facts, and figures
 - Looking for a theme for the website that could contain all of this (canva)
 - Canva.com Makes info graphics
 - How do we tie in the data and statistics into everything else
 - Glossary at the end
 - Toolbox functionality for the report, encouraging others to act.
 - Invite receivers of grants to tell their stories
 - Encourage previous applicants for grants to apply again.
 - Conveners: Delia, Brian, Andy
- Stephanie Spellers: Episcopal Creation Care Pledge Presentation
 - (google doc posted to extranet)
 - Include video from Chairs and PB on the creation care website to encourage others to take on the pledge.
- Lifegiving subgroup: come up with churchwide rollout? Coordinate with Canon Spellers
 - Incorporate grants into
 - Taskforce approves pledge by consensus
- Sheila Andrus: Carbon Tracker Presentation

- 40% of emissions that need to be cut are household cuts according to the Paris accord.
- **Be collaborative. Be collaborative. Be collaborative.**

Submitted Respectfully,

Tyler Kerr
